

ROUND 10 | INCIDENT RESOLUTION

5/06/2025

BRONZE ROCKETS

Incident 1

- **Claiming team:** Bionic Zero 24
- **Claimed team:** Etruria Racing Team
- **Replay time:** 00:10
- **Lap:** 1
- **Resolution:** ERT_Pariduz +3" (L1.1)
- **Justification:** The reported driver makes a sudden move under braking, invading the outside space with no reaction time for the claiming driver to avoid the collision.

Incident 2

- **Claiming team:** Bionic Zero 24
- **Claimed team:** Thunderlights Simracing
- **Replay time:** 05:30 - 05:38
- **Lap:** 3
- **Resolution:** TLS_ABRXHAM95 +3" (L1.1)
- **Justification:** Two evident contacts occur, causing the claiming driver to lose a position and some time.

Incident 3

- **Claiming team:** Bionic Zero 24
- **Claimed team:** Thunderlights Simracing
- **Replay time:** 07:50
- **Lap:** 4
- **Resolution:** TLS_ABRXHAM95 +3" (L1.1)
- **Justification:** A contact occurs due to a slight touch by the reported driver, who uses it to move to the inside. The claiming driver holds his line, and the reported driver moves toward him, causing the loss of a position.

Incident 4

- **Claiming team:** Bionic Zero 24
- **Claimed team:** Thunderlights Simracing
- **Replay time:** 14:55
- **Lap:** 7
- **Resolution:** TLS_ABRXHAM95 +3" (L1.1)
- **Justification:** The reported driver tries to brake late on the inside but fails to stop the car in time. Despite the claiming driver leaving enough room, the reported driver drifts wide, pushing the rival and preventing a fair fight for the position.

SILVER ROCKETS

Incident 5

- **Claiming team:** Jokers E-Team
- **Claimed team:** Alien Motorsport
- **Replay time:** 02:00
- **Lap:** 1
- **Resolution:** Racing incident
- **Justification:** Some stewards believe the claiming driver moves inward excessively, while others argue the reported driver opens up as if no one is alongside. Given the differing viewpoints, we adopt the majority decision and classify it as a racing incident.

GOLDEN ROCKETS

Incident 6

- **Claiming team:** Vanquish Esports
- **Claimed team:** GT Spain 92
- **Replay time:** 00:50
- **Lap:** 1
- **Resolution:** Twitch_Mkay22 +5" (G4.1)
- **Justification:** The reported driver, with the rival alongside on the outside, takes the corner without leaving enough room for both cars to complete the turn side by side. As reference, he follows the same line as the driver ahead, who had no car alongside. A good example of proper behavior is shown at second 52, where the claiming driver leaves room to the ARM driver, allowing the reported driver to benefit from the parallel rule he then fails to respect.

Incident 7

- **Claiming team:** Kraken Stains GT
- **Claimed team:** Vanquish Esports
- **Replay time:** 01:55
- **Lap:** 1
- **Resolution:** Racing incident
- **Justification:** The reported driver performs an incorrect move, which is issued as a warning since it does not result in a position or time loss for the claimant.

Incident 8

- **Claiming team:** Kraken Stains GT
- **Claimed team:** GT Spain 92
- **Replay time:** 14:53
- **Lap:** 7
- **Resolution:** GTS92_AntonioSK DQ +120" (D1)
- **Justification:** The reported driver deliberately lifts off the throttle, causing the following driver to collide. The team or driver is invited to provide an explanation.

Incident 9

- **Claiming team:** Kraken Stains GT
- **Claimed team:** GT Spain 92
- **Replay time:** 14:53
- **Lap:** 7
- **Resolution:** Twitch_Mkay22 Warning
- **Justification:** The reported driver lifts off the throttle deliberately at the same time as his teammate. No contact occurs, but the seriousness of the maneuver warrants a formal warning. The team or driver is invited to explain the action.

Incident 10

- **Claiming team:** Kraken Stains GT
- **Claimed team:** Owls Esports
- **Replay time:** 14:54
- **Lap:** 7
- **Resolution:** OWLS_Byjim +2" (L1.1 + penalty 0.5" - 50% penalty - 50% position return discount)
- **Justification:** A contact causes the loss of one position and a penalty. The reported driver returns the position.

Incident 11

- **Claiming team:** Vanquish Esports
- **Claimed team:** GT Spain 92 (Antonio)
- **Replay time:** 14:59
- **Lap:** 7
- **Resolution:** Racing incident
- **Justification:** The claiming driver had not yet gained the position nor was he in a parallel situation. The leading driver has the right to the racing line and does not commit a punishable act.

Incident 12

- **Claiming team:** Vanquish Esports
- **Claimed team:** GT Spain 92 (Miro)
- **Replay time:** 14:59
- **Lap:** 7
- **Resolution:** Racing incident
- **Justification:** No punishable action is observed.

Incident 13

- **Claiming team:** Kraken Stains GT
- **Claimed team:** Vanquish Esports
- **Replay time:** 15:25
- **Lap:** 7
- **Resolution:** VQS_Miumiu +10" (G4.3)
- **Justification:** The reported driver causes a rear-end collision resulting in the loss of 3 positions and an estimated 8-second time loss for the claimant.

Incident 14

- **Claiming team:** Vanquish Esports
- **Claimed team:** Kraken Stains GT
- **Replay time:** 15:30
- **Lap:** 7
- **Resolution:** KRK_MANU14 +2" (L1.1 + 0.5" penalty - 50% LC as the following contact prevents returning the position and causes major time loss)
- **Justification:** The reported driver, with a rival alongside on the outside, takes the corner without leaving space to complete it side by side. As a reference, he exits the corner beyond the white line.

Incident 15

- **Claiming team:** Vanquish Esports
- **Claimed team:** GT Spain 92
- **Replay time:** 19:10
- **Lap:** 8
- **Resolution:** Twitch_Mkay22 +3" (G8.1)
- **Justification:** The reported driver, with the rival in parallel on the outside, unnecessarily widens the line to hinder the overtake, resulting in contact and the loss of a position.

Incident 16

- **Claiming team:** GT Spain 92
- **Claimed team:** Vanquish Esports
- **Replay time:** 19:19
- **Lap:** 9
- **Resolution:** Flexxsy +5" (G4.1)
- **Justification:** The reported driver causes two rear-end contacts, worsening the situation where both drivers had gone deep. This causes the claimant to lose 3 positions.

Incident 17

- **Claiming team:** Vanquish Esports
- **Claimed team:** GT Spain 92
- **Replay time:** 22:20 - 22:40
- **Lap:** 10
- **Resolution:** GTS92_AntonioSK +3" (L1.1)
- **Justification:** The GT Spain 92 driver makes an erratic move, entering the VQS driver's line and slowing him down. He then takes the inside for the next right-hander but fails to respect the parallel exit, forcing the VQS driver onto the astroturf and causing him to lose a position in the next corner.

Incident 18

- **Claiming team:** Vanquish Esports
- **Claimed team:** Azteca Racing Motorsport
- **Replay time:** 22:56
- **Lap:** 10
- **Resolution:** ARM_DiegoRojas +3" (L1.1)
- **Justification:** The reported driver causes a slight rear contact that disrupts the rival's line. As the rival recovers on corner exit, another slight touch leads to a position loss.

Incident 19

- **Claiming team:** Vanquish Esports
- **Claimed team:** Kraken Stains GT
- **Replay time:** 31:57
- **Lap:** 14
- **Resolution:** KRK_IsmaSanfe +3" (L1.1)
- **Justification:** A rear-end collision allows the reported driver to gain position over the claimant.

Incident 20

- **Claiming team:** Vanquish Esports
- **Claimed team:** GT Spain 92
- **Replay time:** 00:00 - 33:20
- **Lap:** 1 - 14
- **Resolution:** Steward meeting called
- **Justification:** A meeting will be held with GT Spain 92 to obtain explanations regarding their drivers' behavior throughout R10.
