

## ROUND 7 | INCIDENT RESOLUTION

29/05/2025

### RACE 1

#### Incidente 1

---

- **Claiming team:** Owls Esports + GT Spain 92
- **Claimed team:** Kraken Stains GT
- **Replay time:** Superpole
- **Lap:** -
- **Resolution:** KRK\_Joseit0 +25" (Art. 8.2.3)
- **Justification:** The driver violates the race regulations regarding the mandatory tyre use during Superpole, which required him to abort the lap or face disqualification. Upon realizing the mistake, the driver uses the start button to return to the pits, selects the hard compound tyre, and then completes the qualifying session.

### RACE 2

No penalties to show.

### RACE 3

#### Incidente 2

---

- **Claiming team:** Firebeast Racing Team
- **Claimed team:** AGT Drivers
- **Replay time:** 01:31
- **Lap:** 1
- **Resolution:** AGT\_RaulSgToledo +5" (G4.1)
- **Justification:** At the corner exit, the FRT driver is running at reduced speed after receiving a hit. The AGT driver, coming from several positions behind and having visibility of the situation ahead, collides with the FRT driver while overtaking, causing the latter to hit the wall and lose three positions.

## RACE 4

### Incident 3

---

- **Claiming team:** Alien Motorsport
- **Claimed team:** Bionic Zero 24
- **Replay time:** 01:32
- **Lap:** 1
- **Resolution:** BZ24\_MoRe\_ +3" (L1.1)
- **Justification:** At the corner exit, the FRT driver is running at reduced speed after receiving a hit. The AGT driver, coming from several positions behind and having visibility of the situation ahead, collides with the FRT driver while overtaking, causing the latter to hit the wall and lose three positions.

### Incident 4

---

- **Claiming team:** Bionic Zero 24
- **Claimed team:** Team Monza Racing
- **Replay time:** 12:40
- **Lap:** 7
- **Resolution:** TMR\_TheGhostbaby +27" (G4.3 + daños)
- **Justification:** The TMR driver attempts an overtake by going off-track. Since the game penalizes the maneuver, the driver then collides clearly and evidently with the BZ24 driver, causing damage to the claiming driver's vehicle.

### Incident 5

---

- **Claiming team:** Alien Motorsport
- **Claimed team:** Team Monza Racing
- **Replay time:** 30:34
- **Lap:** 15
- **Resolution:** TMR\_TheGhostbaby +3" (L1.1)
- **Justification:** The claimed driver executes a very tight move once the turning line has already begun. At the corner exit, he leaves insufficient room on the outside, preventing the claiming driver from maintaining their position. As a result, a slight contact occurs, after which the claiming driver loses both the position and a small amount of time.

## Incident 6

---

- **Claiming team:** Alien Motorsport
- **Claimed team:** Team Monza Racing
- **Replay time:** 30:50
- **Lap:** 15
- **Resolution:** TMR\_TheGhostbaby +3" (L1.1)
- **Justification:** During the chicane exit, both drivers are side by side. The claimed driver slightly grazes the outside wall and, upon moving away, causes light contact with the vehicle of the claiming driver, which results in the loss of position for the latter.
