

ROUND 8 | INCIDENT RESOLUTION

31/05/2025

BRONZE ROCKETS

Incident 1

- **Claiming team:** Avalon Motorsport
- **Claiming team:** Etruria Racing Team
- **Replay time:** 05:42
- **Lap:** 4
- **Resolution:** Racing incident
- **Justification:** The claiming driver attempts to go down the inside without finding space. A slight movement from the ETR driver may occur, but it is not deemed significant enough to warrant a penalty.

SILVER ROCKETS

Incident 2

- **Claiming team:** Customs GT
- **Claiming team:** Team Monza Racing
- **Replay time:** 00:25
- **Lap:** 1
- **Resolution:** Racing incident
- **Justification:** The TMR driver and the two CGT drivers all overshoot turn 1. The TMR driver uses the handbrake on the outside of the turn to avoid going further off. One of the CGT drivers has no time to react and hits him from behind. Although the contact is from the rear, it is considered a racing incident due to the track situation.

Incident 3

- **Claiming team:** Team Monza Racing
- **Claiming team:** Customs GT
- **Replay time:** 00:25
- **Lap:** 1
- **Resolution:** Racing incident
- **Justification:** The TMR driver and the two CGT drivers all overshoot turn 1. The TMR driver uses the handbrake on the outside of the turn to avoid going further off. One of the CGT drivers has no time to react and hits him from behind. Although the contact is from the rear, it is considered a racing incident due to the track situation.

Incident 4

- **Claiming team:** Alien Motorsport
- **Claiming team:** Team Monza Racing
- **Replay time:** 00:52
- **Lap:** 1
- **Resolution:** TMR_HAYABUSA +5" (G4.1)
- **Justification:** Rear-end contact causing the loss of 2 or more positions.

GOLDEN ROCKETS

Incident 5

- **Claiming team:** Vanquish eSports
- **Claiming team:** GT Spain 92
- **Replay time:** -
- **Lap:** Superpole
- **Resolution:** GTS_AntonioSK +5" (8.2.3)
- **Justification:** During qualifying, the GTS92 driver presses the START button without exiting the track or returning to the pits, briefly driving under auto-drive during the formation lap. Evidence of the incident is available. This penalty does not deduct FP points.

Incident 6

- **Claiming team:** Vanquish eSports
- **Claiming team:** GT Spain 92
- **Replay time:** -
- **Lap:** Superpole
- **Resolution:** GTS92_Nicholas +20" (10.2.1.1.2)
- **Justification:** The GTS92 driver failed to display mandatory logos on his livery during Superpole. As this occurred during the finals, the penalty applies to the team but is directly added to the driver's time. This penalty does not deduct FP points.

Incident 7

- **Claiming team:** GT Spain 92
- **Claiming team:** Vanquish Esports
- **Replay time:** 02:26
- **Lap:** 2
- **Resolution:** Racing incident
- **Justification:** The GTS92 driver moves to the inside of the turn before completing the overtake on the VQS driver, who is maintaining his line.

Incident 8

- **Claiming team:** GT Spain 92
- **Claiming team:** Owls Esports
- **Replay time:** 04:16
- **Lap:** 3
- **Resolution:** OWLS_JCarillo +5" (G4.1)
- **Justification:** The OWLS driver pulls alongside during braking but invades the outer racing line where the GTS92 driver is positioned, causing the latter to lose 2 positions.

Incident 9

- **Claiming team:** Outplayed Racing + GT Spain 92
- **Claiming team:** Azteca Racing Motorsport
- **Replay** time: 06:00
- **Lap:**4
- **Resolution:** J-Brea +5" (G4.1)
- **Justification:** The ARM driver hits the OP driver from behind, causing a chain reaction that ends with GTS92 losing three positions.

Incident 10

- **Claiming team:** Vanquish eSports
- **Claiming team:** Azteca Racing Motorsport
- **Replay time:** 16:20
- **Lap:**9
- **Resolution:** ARM_Brea +5" (G4.1)
- **Justification:** The ARM driver hits the VQS driver, who loses five positions.

Incident 11

- **Claiming team:** Outplayed Racing
- **Claiming team:** Vanquish Esports
- **Replay time:** 18:50
- **Lap:** 18
- **Resolution:** Racing incident
- **Justification:** The OP driver loses control of the car while taking the corner and hits the inside wall, losing speed. The VQS driver has no time to react and makes rear contact.

Incident 12

- **Claiming team:** Vanquish eSports
- **Claiming team:** Owls Esports
- **Replay time:** 23:55
- **Lap:** 12
- **Resolution:** Advertencia OWLS.
- **Justification:** The OWLS driver changes line to follow the slipstream of the leading VQS car. This maneuver causes a collision with the VQS car in 3rd place. No significant time or position is lost, but a warning is issued.

Incident 13

- **Claiming team:** GT Spain 92
- **Claiming team:** Owls Esports
- **Replay time:** 29:58
- **Lap:** 16
- **Resolution:** OWLS_JCarrillo +3" (L1.1)
- **Justification:** The OWLS driver does not leave space for the GTS92 driver, who is hit while running side by side and loses one position.

Incident 14

- **Claiming team:** Outplayed Racing
- **Claiming team:** GT Spain 92
- **Replay time:** 30:00
- **Lap:** 16
- **Resolution:** Racing incident
- **Justification:** The OP driver attempts an overtake where there is no space to do so.

Incident 15

- **Claiming team:** Vanquish eSports
- **Claiming team:** Kraken Stains GT
- **Replay time:** 30:53
- **Lap:** 16
- **Resolution:** +1.5" (L1.1 - 50%)
- **Justification:** Rear-end contact causing a loss of one position. Penalty is reduced as the position is given back.

Incident 16

- **Claiming team:** Vanquish Esports
- **Claiming team:** Kraken Stains GT
- **Replay time:** 32:52 -33:05
- **Lap:** 17
- **Resolution:** Racing incident
- **Justification:** The movements made by the claimed driver to give slipstream to his teammate are observed, but no action is deemed sanctionable.
